

All Span Building Systems, Inc. *General Contractor*

(910) 799-9120
FAX (910) 799-9128

August 5, 2011

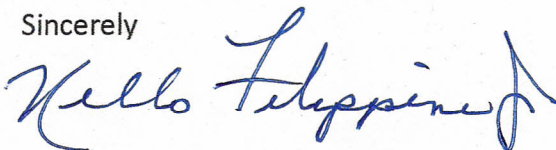

To Whom It May Concern:

I have used IPM Computers for the service and upkeep of my business computers for many years.

Greg Roger has been fast and efficient with his solutions to any problems we have had with the computers at All Span Building Systems, Inc.

I would recommend him for any IT and computer problems that your company may have.

Sincerely

Nello Filippini, Jr.

President
All Span Building Systems, Inc.
